

Cotton Lints for Hairdressers

COMPOSITION	<ul style="list-style-type: none"> • 100% pure bleached absorbent cotton • H2O2 bleached (non chlorine bleached, free of any optical brightener)
COTTON LINTS FOR HAIRDRESSERS	<ul style="list-style-type: none"> • Compact lint • Absorb 5 to 9 times more than ordinary spool of cotton. • No more cotton dust • Protect even more the client from the noxiousness of the products used. • Allows skin cleaning after the treatment • Shelf life: 5 years from production time

Instructions for use:

Slip under the curler, starting from one end. You only need one lint to put around the head. At the end of the treatment, the lint gets off easily, without any problem. It does neither stick to the skin nor to the hair or the curlers.
